My backstory is, I spent forty years inside the cockpits of corporate jets and airlines and because of my flying career I believe I acquired a unique perspective of life. I was fortunate in 1992 to fly Ridley Scott on a location scout in the Caribbean islands. We talked about writing and building an image with the words. He was a great mentor to a new author. I graduated from college with a Bachelor of Arts. I have been involved in feature films in Hollywood and Indie films in Phoenix. I have done voice-over radio commercials and standup comedy magic. I represented the USA alongside nine other countries at the Night of Magic in Bogota, Colombia, performing before dignitaries, ambassadors and their families. I'm a proud male member of the oldest women's writers club, the Phoenix Writers Club, and a member of the International Thriller Writers. Bestselling authors Clive Cussler and Tim Dorsey endorsed my Stealing Atlanta. My Jake Roberts Novels are a crime fiction and psychological thriller series.
