COPY AND PASTE INTO YOUR BROWSER: <http://eepurl.com/U1dm1> Check out my latest interview on Youtube: <http://youtube.com/sQo5pyyVMDI> Not only do I love to read, write, and dream, I'm an extrovert. I enjoy being around people and am always trying to understand what makes them tick. Not only must my books have a happily ever after, I need characters I can relate to. My men are wonderful, dynamic, smart, strong, and the best lovers in the world (of course). You'll find me most days on my chaise lounge with my laptop and my iced tea (unsweetened!) on the side table. I love to sleep in late and write into the wee hours. I also love FB, so you'll find me on there, too! I believe I am the luckiest woman. I do what I love and I have a wonderful, supportive husband, who happens to be hot! Fun facts about me (1) I'm a math nerd who loves spreadsheets. Give me numbers and I'll find a pattern. (2) I'm addicted to taking pictures (I taught high school photo for 30 years). I plan to periodically post some of my favorites on my newsletter [so sign up!]. (3) I also like to exercise. Yes, I know I'm odd. Not only do I walk with different women each week, I teach Pilates twice a week at a local rec center, and lift weights the other days. I love hearing from readers either on FB or via email (hint, hint). You can contact me at velladayauthor@gmail.com. My website: www.velladay.com
