Crippled by weak, indecisive leadership the Russian troops battle desperately, even as the inevitability of failure and their own sacrifice dawns. Solzhenitsyns astounding work of historical fiction is a portrait of pre-revolutionary Russia, a tragic war story, and an epic novel in the great Russian tradition.Revue de presse"One of the greatest and most influential writers of the 20th century" (Washington Post)"It is written in anger yet with understanding, in scorn yet with compassion.
