Description :

Prsentation de l'diteurFor fans of Harry Potter and Percy Jackson comes a story like no otherIn a world where everyone lives forever and abilities are god-like, young Bernie's ambition is to be a great universe builder like his father. After he graduates from God School, he gets his chance, only to find the world he's creating is full of problems. Mysterious asteroids, unexplained volcanoes, and shifting continents threaten to destroy life on his beautiful planet. As the disasters continue, Bernie realizes his world is being sabotaged.

But how could that happen? Only another god could do that...As Bernie struggles to save his world, he discovers Billy, his nemesis from school, is behind the sabotage. Billy's goal is simple: he wants to see Bernie fired from his job as a Universe Builder. Bernie soon discovers the situation is more desperate than

just losing his job. If he fails to outwit his evil foe, an entire world will be lost. You'll cheer for Bernie, curse the evil Billy, and laugh out loud at twists and turns that even omniscient gods could not have foreseen. If you enjoy Harry Potter, Peter Jackson or the tales of Terry Pratchett, then *The Universe Builders* is for you. Begin the adventure today. You'll love it. *****Winner of 16 Awards for Excellence, including:-- Grand Prize, Writer's Digest-- Best Book of the Year, IAN-- Gold, Readers' Favorite-- Gold, San Francisco Book Festival-- Gold, eLit Awards-- Gold, Independent Author Network-- and 10 more

Not when he writes. Whimsy overcomes him at the word processor. Whimsy is at the core of his novel, *The Universe Builders*, which is told with LeBel's unique balance of seriousness, humor, and whimsy. Steve lives

in Muskegon, Michigan with his wife and two cats. When not writing, he can be found cursing the stock market, or thinking up new plots for *The Universe Builders*.
