**Description :** Description du produitWhen Harriet Vane attends her Oxford reunion, known as the Gaudy, the prim academic setting is haunted by a rash of bizarre pranks: scrawled obscenities, burnt effigies, and poison-pen letters, including one that says, Ask your boyfriend with the title if he likes arsenic in his soup. Some of the notes threaten murder and all are dreadful concoctions of a sick mind yet in spite of their deplorable, criminal nature, the letters are perfectly worded. Soon, Harriet finds herself ensnared in a nightmare of romance and terror, with only the tiniest shreds of clues to challenge her powers of detection, and those of her paramour, Lord Peter Wimsey.

Prsentation de l'diteurA must-read for fans of Agatha Christie's Poirot and Margery Allingham's Campion Mysteries, Lord Peter Wimsey is the immortal amateur sleuth created by Dorothy L Sayers.Harriet Vane has never dared to return to her old Oxford college. Now, despite her scandalous life, she has been summoned

back . . . At first she thinks her worst fears have been fulfilled, as she encounters obscene graffiti, poison pen letters and a disgusting effigy when she arrives at sedate Shrewsbury College for the 'Gaudy' celebrations.

But soon, Harriet realises that she is not the only target of this murderous malice - and asks Lord Peter Wimsey to help. *Revue de presse* Gaudy Night stands out even among Miss Sayers's novels. And Miss Sayers has long stood in a class by herself. (Times Literary Supplement (London)) Very skillful writing. Miss Sayers has done a real tour de force, and done it with ease and grace. (Saturday ) A royal performance.
