Description :

Prsentation de l'diteurFrom New York Times and USA Today bestselling author Eden BradleyIn those breathless moments between pleasure and pain lie the most poignant truths I have signed myself over to The Training House: my devotion, my obedience, my body. It is what I have always yearned for to lose myself in powerlessness. To be made to. But this place is more than anyone could possibly prepare for, especially the Master of the House. He is too stunning, too commanding, bringing out a yearning for submission in ways I have never imagined, and I am lost in nearly unbearable desire. He uses my body until he brings me to tears, then tenderly wipes them away, enslaving me to him instantly, body and soul. I cannot imagine existing

without him, without his wicked touch, his strict and sensual command Until I meet another slave, and he changes the game of kink for me forever. How can I decide what my heart wants most, without risking losing it all? **WARNING::** These books contains material that may be difficult to read about and/or cause triggers for some readers.
