**Description :** Description du produitHER ONLY OPTION IS DEATHSue Quentin has reached the end of her rope-she's desperate, and there's only one way out. Her plan doesn't include falling for Tony, the mysterious hit man she hires. He listens when she speaks and somehow convinces her that maybe her problems aren't entirely insurmountable. He even thinks her little potbelly is sexy. So he's a werewolf--everyone has flaws! Sue enjoys being coddled by Tony, and, for his part, Tony likes the way Sue moans when he touches her. She begins to think she and Tony might have a shot at a future together, despite his unorthodox profession . . . and even though she doesn't know his real name. But when Tony's enemies-not all of whom are fully human-decide Sue makes a perfect target, will Tony risk letting his darker side out during the day to save her?

Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Booklist Hit man Tony Giodone has seen some wacky whack jobs but this takes the cake. Sue Quentin, winner of a huge lottery jackpot, wants him to off her. She is so desperate to get away from her obnoxiously calculating and avaricious family, she feels that death is the only escape. Tony, meanwhile, has made a miscalculation. Ever since he was bitten by one of his targets, he has experienced three days of amnesia at the full moon, during which he turns into a wolf, so he usually locks himself away in a soundproof suite in the Plaza. Fortunately, he wakes up this time to find that Sue is still alive and well. A powerful bout of lovemaking leaves Tony certain that he has found his mate, and he will do anything for Sue, even kill her if that's what she wants. This unusual, artfully constructed, and enticing blend of horror and romance will have wide appeal with its male point of view, intensely sexy love story, and caperlike action.
