Prsentation de l'diteurAn eclectic mix of stories: some fantasy; some mystery; some fiction; and some not.
Biographie de l'auteurMy life has been very varied. I've lived in too many places; I've done too many jobs. On the other hand I've met lots of fascinating people. I've been a mother, an IT geek, a chef, a cleaner, a teacher, a senior manager, a singer, a statistician, a party planner and so much more. I love science fiction, fantasy and detective fiction. In 2015, I published a poetry collection describing my therapy for Post-Traumatic Stress Disorder - *The EMDR Years*. I've been a Bah for many years, and I still believe we can build a better world.
