Biographie de l'auteur JB Biggs served in the Israeli Defense Force 202nd Airborne paratroopers from 2001 to 2003, during the 2nd Intifada. He was involved in hundreds of combat operations during that time, large and small, including the endless Ramallah campaigns. After leaving the IDF, JB worked as a private security contractor, first in the West Bank, then for Blackwater USA in 2004 as a Diplomatic Security Specialist. After earning his degree from the Interdisciplinary Center in Herzliya, Israel with a focus on international affairs, JB worked as a Middle East expert and staff member in two Congressional offices on Capitol Hill. He currently lives in Summerville, SC, where, with the help of an amazing Southern woman, 2 rescued dogs, a son, the beautiful outdoors, and the grace of God, he has fully recovered from both his time in the Middle East, and more remarkably, from Washington DC as well.
