Description : Description du produitMasters of weapons and martial arts, Mercenaries Dhulyrn Wolfshead and Parno Lionsmane have just saved one of the Marked, those gifted with special powers, from a mob that appears to be under the influence of a priest of the Sleeping God. Learning that this is not an isolated incident and realizing that Dhulyrn's own unique gift will make them a target, the two take ship for safer climes. Once ashore the partners take on a seemingly simple mission of escorting a young woman to distant relatives. But not even Dhulyrn's talent can warn them of the threat that awaits at the far end of their journey.

Presentation de l'diteur Dhulyn Wolfshead and Parno Lionsmane are members of the Mercenary Guild, both veterans of numerous battles and missions, each a master of martial arts. And more than that, Dhulyn and Parno are Partners, a Mercenary bond that can only be broken by one or both of their deaths. Their past lives are supposed to be irrelevant?but Dhulyn and Parno have histories and secrets that may make all the difference between success and failure in the mission that awaits them...From Publishers Weekly Combining classic heroic fantasy with a metaphysical twist, Malan (The Mirror Prince) introduces the Mercenary Brotherhood and two of its most fascinating members: Dhulyn Wolfshead, a psychically gifted former slave, and Parno Lionsmane, a rugged exiled nobleman. Their assignment seems simple: deliver Mar-eMar, a young orphan, to her distant relatives of the demi-royal Tenebro House in Imrion's capital, Gotterang. The trip quickly turns complicated and dangerous as they encounter the deadly persecution of the Marked, supernaturally talented people whom the fanatical New Believers think are trying to wake the Sleeping God and destroy the world. Parno must confront his noble past and Dhulyn fight the limitations of her visions as they battle the elusive, terrifying Green Shadow, who's manipulating the New Believers for his own ends.

Malan's sometimes wordy, philosophical musings weigh down the action, but she makes up for it with abundant swordplay and the protagonists' strong, entertaining partnership. (Aug.)
