## Description :

Prsentation de l'diteurHugh and Simon werent exactly made for each other, more like manufactured.Hugh Willard and Simon Williams couldnt be less alike. Theyve been friends since childhood, but five years ago their differences led to a fight and they havent spoken since. But Hugh has discovered that he and Simon might be clones. Worse, they were never meant to be born, and someone wants them dead.Set in the near future, The Willies tells the story of two people coming to grips with their relationship and identities while on the run. This takes place against a backdrop of bizarre events that poke fun at the current debate over

bioengineering starting with a panda blowing up and finishing with a showdown that threatens human life itself. Presentation de l'auteur Hugh and Simon weren't exactly made for each other, more like manufactured. Hugh Willard and Simon Williams couldn't be less alike. They've been friends since childhood, but five years ago their differences led to a fight and they haven't spoken since. But Hugh has discovered that he and Simon might be clones. Worse, they were never meant to be born, and someone wants them dead. Set in the near future, *The Willies* tells the story of two people coming to grips with their relationship and identities while on the run. This takes place against a backdrop of bizarre events that poke fun at the current debate over bioengineering starting with a panda blowing up and finishing with a showdown that threatens human life itself.
