## Description :

Prsentation de l'diteurProfane, honest, and totally real advice from writer and director Kevin Smith! Take one look at Kevin Smith: he's a balding fatty who wears a size XXL hockey jersey, shorts, and slippers year-round. Not a likely source for life advice. But take a second look at Kevin Smith: He changed filmmaking forever when he was twenty-four with the release of Clerks, and since then has gone on to make nine more profitable movies, runs his own production company, wrote bestselling books and graphic novels, and has a beautiful wife and kid. So he must be doing something right. As Kevin's millions of Twitter followers and

millions of podcast listeners know, he's the first one to admit his flaws and the last one to care about them. In early 2011, he began using his platform to answer big questions from fans - like "What should I do with my life?"- and he discovered that he had a lot to say. Tough Sh\*t distills his four decades of breaking all the rules down to direct and brutally honest advice, including: Why he has accepted Ferris Bueller as his personal savior, and what the Tenets of Buellerism can teach about hiding in plain sight and lip-syncing in the face of danger Why it's really fun to eat but not so fun to be fat What to do about people who don't like your policies ( for starters, tell them to pucker up and smooch your big ol' butt) What Kevin's idol Wayne Gretzky can teach us about creativity and direction For anyone who's out of a job, out of luck, or just out of sugary snack foods, Tough Sh\*t is an unabashedly honest guide to getting the most out of doing the least. Revue de presse "elevating the white-guy-doing-nothing prerogative from a lifestyle choice to a moral principle." --The New York Times The chapter on Smith's disastrous Cop Out shoot is a fascinating bit of dirt-dishing, as are his musings on Harvey Weinstein and his aborted Green Lantern. --Empire Magazine Presentation de l'auteur Profane, honest, and totally real advice from writer and director Kevin Smith! Take one look at Kevin Smith: he's a balding fatty who wears a size XXL hockey jersey, shorts, and slippers year-round. Not a likely source for life advice.
