## Description :

Prsentation de l'diteurIf only real life were like a book on chess tactics! But during a game you are on your own, and nobody will whisper in your ear that you have reached a position that is, in fact, a tactical puzzle and all you have to do is solve it. What you need, discovered Emmanuel Neiman in his long career as a chess trainer, is a way to read the signals which indicate that, somewhere in the position you are looking at, there is a tactical blow. What you need is a Chess Tactics Antenna! This trailblazing book by award-winning author Neiman provides a set of tools that enables the average club player to determine the moment he needs to look for win.Prsentation de l'diteurIf only real life were like a book on chess tactics!
