Description :

Prsentation de l'diteur'[An] instant classic' IndependentRupert Everett's first memoir - Red Carpets and Other Banana Skins - was an international bestseller and an instant classic on publication in 2006. ers compared him to Evelyn Waugh, David Niven, Noel Coward and Lord Byron. But Rupert Everett is - of course - one of a kind.Mischievous, touching and nothing less than brilliant, this new memoir is filled with stories, from childhood to the present. Astonishing encounters; tragedy and comedy; vivid portraits of friends and rivals; razor-sharp observations of the celebrity circus from LA to London and beyond... there is something extraordinary on every page. A pilgrimage to Lourdes with his father is both hilarious and moving. A

misguided step into reality TV goes horribly wrong. From New York to Moscow to Berlin to Phnom Penh, Vanished Years takes the reader on a wild and wonderful new journey with a charming (and rather disreputable) companion.
