Description :

Prsentation de l'diteurThe New York Times and USA Today bestseller read by more than a million people.The #1 bestselling Kindle book for an entire year in two major categories: technothrillers and science fiction, by the author called, "a worthy successor to Michael Crichton." (SFBook.com)Kira Miller is a brilliant genetic engineer who discovers how to temporarily achieve savant-like capabilities in all areas of thought and creativity. But what if this transcendent level of intelligence brings with it a ruthless megalomania?David Desh left the special forces after his team was brutally butchered in Iran. Now he has been reactivated for one last mission: find Kira Miller, the enigmatic genius behind a bioterror plot that threatens millions. But when Desh learns that the bioterror plot is just the tip of the iceberg, he is thrust into a byzantine maze of deception and intrigue, and he becomes a key player in a deadly game he can't begin to

understand. A game that is certain to have a dramatic impact on the future course of human history. . .

WIREDD is a smart thriller crammed with breakneck action, unexpected twists, mind-expanding science, and intriguing concepts readers will be contemplating long after they've read the last page."Richards is a tremendous new talent" (Stephen Coonts) who can "keep you turning the pages all night long" (Douglas Preston)

Biographie de l'auteur

Douglas E. Richards has been widely praised for his ability to weave action, suspense, and science into riveting novels that brilliantly straddle the thriller and science fiction genres. He is the New York Times and USA Today bestselling author of WIREDD, its sequel, AMPED, THE CURE, and six critically acclaimed middle-grade adventures enjoyed by kids and adults alike. A former biotech executive, Richards earned a BS in microbiology from the Ohio State University, a master's degree in genetic engineering from the University of Wisconsin (where he engineered mutant viruses now named after him), and an MBA from the University of Chicago. In recognition of his work, Richards was selected to be a "special guest" at San Diego Comic-Con International, along with such icons as Stan Lee and Ray Bradbury. He has written numerous feature articles for the award-winning magazine, National Geographic KIDS -- some having appeared in a dozen languages in as many as sixteen countries -- as well as essays for the BBC, The Australian Broadcasting Corporation, Earth Sky, Today's Parent, and many others. The author currently lives in San Diego, California, with his wife, two children, and two dogs. You can friend Richards on Facebook at Douglas E. Richards Author, and write to him at doug@san.rr.com
